

Director of Community Recovery – April 2010 - Board Report

San Bernardino County Meetings:

- Attended CERT Adhoc meeting regarding County wide standards for the CERT program.
- Attended Regional MAST meeting.
- Continue to work with County OES to schedule additional CERT classes.
- Attended State of the County Reception and Event at Victoria Gardens in Rancho Cucamonga.

CERT (Community Emergency Response Team) met March 23rd. If you haven't done so please visit www.mtncert.org Next meeting will be on April 27th. New lieutenants met. County Fire is putting together the new neighborhood packets that will be going out to educate the community. CERT members will be out talking to their own neighbors to start passing the word.

COAD (Community Organizations Active in Disaster) met on March 23rd. Next COAD meeting will be held on April 27th, at Station 91 at 10:30a. COAD and CERT representatives were asked to do a presentation to the Rim School District bus drivers at their recent in-service. It was a great presentation and shows a new partnership has begun in the community.

San Bernardino County VOAD kicked off their new year at SB County OES. Each COAD shared their status within the County VOAD structure. As Rim Communities COAD Chair, Cheryl was able to share the new Hearts & Lives presentation to other people throughout SB County. Many agencies asked for copies of the DVD.

California Volunteers and the Governors Disaster Corps held all day training on how to open an emergency volunteer center. Many mountain COAD and CERT members attended it was very well presented.

Currently finalizing the last report due to California Community Foundation. All recovery cases are near completion.
